

Long Creek Trail

South Portland, Maine

Length = 0.7 Miles

Please use caution and common sense when using trails like the Long Creek Trail. These trails are unpaved and are minimally engineered and improved in order to preserve a natural experience. The South Portland Land Trust is not responsible for accidents or injury that may occur on its trails. Enjoy the trails, but use them at your own risk. Thank you.

South Portland Land Trust is a nonprofit organization committed to linking neighborhoods and improving quality of life in South Portland through expanding the city's trail network, conserving open space, and educating the public on issues related to conservation. It holds eighteen properties and easements within the City of South Portland to preserve natural habitat, trail access, and open space for public enjoyment. Please visit southportlandlandtrust.org for information and follow us on Facebook, Instagram, and Twitter: @sopolandtrust.
